6. Steps to Begin Operations

1. Assign team roles (guide, photographer, storyteller, safety guide)

2. Register business name

3. Create signature tour packages

4. Set pricing structure

5. Build an online presence

6. Produce branded merch

7. Conduct free promo tours for content

7. Unique Innovation – Nairobi Vibe Passport

A collectible passport booklet that clients get stamped at every destination, earning them explorer levels. This creates repeat customers and a unique identity exclusive to your tour brand.

8. Conclusion

UrbanPulse Adventures aims to provide an unmatched, authentic, and creative touring experience across Nairobi and beyond. With culture at the heart of every tour, we strive to create unforgettable memories while empowering communities.
